- 2013 – Senior Learning Centre \$2.8million
- 2020 – School Nature Play – ‘Roo’s Dream Playground’ (Australian Landscape Architect Award winner) \$350,000

Images of existing relevant infrastructure

Large Sports Shed (CAWMPEF) is the only available undercover area fit for indoor sports. Safety cones are used to separate sectors of the school at lunch times due to large numbers required to use the same space particularly in wet weather (250 children on average per day).

This junior undercover area is the 2nd and only other usable undercover play area in the school and provides for our tuckshop zone. Dance lessons, Dance club and Dance Academy are conducted here using roll-out safety mats.

Comparison of nearby school infrastructure investment and offerings

Nearby Schools	Relevant Additional Infrastructure
